LOCAL BRIEFS.

In answer to numerous inquiries the "News" announces that the pamphlet containing the full proceedings of the recent Conference will be ready on Tuesday next.
A meeting will be held at the Y. M. C. A. at 8 o'clock this evening to perfect arrangements for a "Corkers' entertainment," to be given in the Y. M. C. A. parlors early in May.
Henry Resling, a rancher of Shoshone, Idaho, was brought to the Holy Cross hospital yesterday afternoon with a broken leg. He received the injury in an attempt to ride a water wheel.
The services in the Seventh ward meeting house tomorrow night will begin at 6 o'clock instead of 6:30, as usual, on account of the Sunday school exercises to be given on this occasion.
The regular monthly meeting of the association of Veteran Artillerymen will be held in the Temple assembly hall on Wednesday, May 2nd, commencing at 7:30 p. m. A full attendance is desired.
Kemmerer Camera: A subscription paper is being circulated in this vicinity for the purpose of establishing a Latter-day Saints' church in Kemmerer. We understand the contributions are quite generous.
William Pearson, the employee of the Coon, Wagon and Machine company whose foot was badly crushed in an elevator a few days ago, is getting along as well as he anticipated. He will not lose his foot.
The Odd Fellows of this city will celebrate the eighty-first anniversary of their order, in the New Grand Opera House, this evening, on Monday evening beginning at 8 o'clock. An excellent musical and literary program will be rendered. Admission will be free and there will be no reserved seats.
Horse Steamer: The Quo Vadis company left Thursday afternoon for Seattle. They expect to return to Boise again about the 1st of June, their intention being to make a tour of the coast towns before returning here, after which they will go to Salt Lake, Butte and then east.
The committee in charge of the celebration of the fiftieth anniversary of the opening of the Scandinavian mission, which occurs in June, are preparing an elaborate pictorial album, as a souvenir of the occasion. The work has been awarded the job department of the Deseret News, and all the illustrations will be in half tone.
Out of the list of eight applicants who appeared before the State board of dental examiners only one succeeded in securing a certificate. He was Gustave W. Teut, a young Salt Lake City man. Mr. Teut will begin the practice of his profession immediately and continue until fall when he expects to leave on a mission to the East.
The funeral of William E. Tufts will be held tomorrow at 3 o'clock from Evan's undertaking parlors. The pall bearers will be George Randa, H. C. Sorenson, Roy Morris, George Smith, Joseph Hinton, and Earl Bigham, all of whom were associated with the deceased in troop E, Fourth cavalry, in the Philippines.
Arthur Keeler and his family, accompanied by his brother, Edgar Keeler, of Pleasant Green, Salt Lake County, left last night by the Oregon Short Line railway, bound for Alberta, Canada. The former takes with him two cars of horses and harnessed stock and household goods, and will make that country his future home; the latter goes to aid his brother and view the country, with a design to move there if suited.
At the laboratory building of the University last night Mrs. Alice Merrill Home gave an exceptionally interesting lecture, her subject being "The Home, Its Surroundings and Furnishings." A large audience of both sexes were present, and the lecture was thoroughly enjoyed. Next Friday night Mrs. Frank R. Elliot will deliver a lecture on "School Room Decoration," and Miss E. A. Faust will speak on the subject of "Art in Every Day Life." Both

100 VOLUMES OF THE STANDARD DICTIONARY!

This rare work of nearly 2,400 pages, each volume weighing 1 1/2 pounds, beautifully bound in embossed leather, issued by Funk and Wagnalls of London and New York, is now on sale at the Deseret News office. One hundred volumes have just been received. This is the work in the compilation of which Dr. James E. Talmage was engaged as one of the 200 editors. Its thoroughness is well illustrated by its treatment of the single word "Quorum," as follows:
"Quorum." 1. Such a number of persons of any deliberative or corporate body as is necessary for the legal transaction of business; unless otherwise ordered, a majority. 2. (Eng.) Certain designated justices of the peace commissioned as JUSTICES OF THE QUORUM, without the presence of some one of whom the others could not act. 3. For. Ch. A council or organized body of the priesthood; as, an Elders' quorum; the quorum of the First Presidency. 4. Necessary constituents. (L.) of whom, gen. pl. of "qui" (who) from the Latin words "quorum unum—A. B. esse volumus" (of whom we desire A. B. to be one) forming part of ancient commissions, as, of justices.
This rare dictionary is offered at \$12 per copy. A limited number can be had for Church pay, and our schools and colleges are asked to correspond with us at once should they desire a copy.

lectures will be given at the University and will be illustrated with stereopticon views.
Next Monday evening in the lecture room of the First Congregational church, corner of First and Fourth East streets, the annual championship debate between members of the Jas. A. Garfield Association will be held. This association is the oldest debating society in the State, and is made up of many of Salt Lake's young orators. President W. H. Folland is the present champion, and has been challenged by Vice President T. N. Herbert. The question to be debated is the one now so prominent before the American people, viz: the trust question. Mr. Folland will defend the trusts, and Herbert will oppose them. In addition to the debate, a varied program will also be rendered. The public generally is invited.

CITY IS IN NEED OF MONEY.
Depleted Condition of the Municipal Treasury.
Sub-Committee Appointed to Devise Ways and Means of Getting Some Money.
The municipality of Salt Lake finds itself in need of cash, and where to get it for current needs is a question that is perplexing the city solons. Last evening the finance committee met to consider the necessity of borrowing money to meet all expenses until November, when the taxes shall come in. No conclusion was reached, but a borrowing committee in the persons of President Buckle, Councilman Robertson, chairman of the finance committee, and City Treasurer Morris was appointed to ascertain the exact amount of the deficit and to consult with the bankers and financiers of the city with a view of finding out on what terms a loan can be negotiated. The special committee is instructed to report to the finance committee as early as possible. The exact amount needed is not known, but it is believed that it will take at least \$100,000 to tide the city over until November. It was only a few days ago that Treasurer Morris had to borrow \$20,000 from the National Bank of the Republic to pay the interest on bonds. There are numerous improvements contemplated, but where to get the money to pay for them is a problem.
MINER SEIZED WITH FITS.
Patsy Drake of Bingham Receives a Severe Injury.
Patsy Drake, a Bingham miner who was seized with epileptic fits last night, is in a critical condition at the Holy Cross hospital, being still unconscious. He was unconscious nearly all night.
Drake was walking along Second South street with two friends last evening, when on reaching West Temple, he suddenly reeled and fell heavily to the pavement. His friends ran for assistance, and while they were gone he got up and walked around the corner and south nearly half a block, when he fell again. He was found lying in a pool of blood that was coming from a gash in the head, caused by the fall. He was carried into the Eagle drug store, where Dr. Thorn attended him. In a few moments he regained consciousness, and as soon as his wound was dressed he again started eastward under the escort of two friends. After walking about a block, Drake again became unconscious, and was carried into a back room of the Comstock saloon, where he was taken with convulsions. Dr. Thorn was again summoned and worked nearly two hours over the unconscious man. All efforts to resuscitate the man were futile, and he was taken to the hospital.
August Flower.
"It is a surprising fact," says Prof. Houston, "that in my travels in all parts of the world, for the last 10 years, I have met more people having used Green's August Flower than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen or for persons filling office positions, where headaches and general bad feelings from irregular habits are a great remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion. Sample bottle free at A. C. Smith's Drug Store in all civilized countries.

THE CONTEST AROUSES INTEREST

Young Men Preparing for the Competition in Oratory.

PREPARE SPLENDID PAPERS

Preliminary Contest Will be Held in the Words Sunday Evening, May 6

Keen interest is being manifested in the coming oratorical contest that is to be given under the sanction and auspices of the Young Men's Mutual Improvement Association of Salt Lake City. While such contests have occurred in this city before it is the first time the Mutual Improvement societies ever entered into such a project, and for that reason the young men throughout the State will watch the results of this venture very closely. The object is not to encourage or promote a spirit of jealousy or rivalry among the young men, but to subject them to that discipline and training in writing and speaking that they so much require; also to awaken a spirit of enthusiasm in the Mutual Improvement work which is such an important factor in the training of the young men, especially those who are preparing to enter the missionary field.
The only restrictions that are placed on the contestants in regard to the choice of subject are that they are required to choose their subject from the 1899-1900 Manual, not necessarily a subject as outlined or set down by the Manual, but their orations must deal directly with the history or experiences of the Church, and must tend to its establishment to the expulsion from Missouri.
Those who enter the contest will meet in their respective wards on the evening of the first Sunday in May and will then compete for the honor of representing their ward in a district contest, to be held a few weeks later. The ablest orators in the district contest, of which there will be six, as the State will be divided into six districts, will meet in the final contest to be given during the general conference of the young men in June. The champion in the final contest will be awarded a silver cup.
In the adjudication of more areas will be held on the composition and thought than on the delivery, the former being subject to a score of sixty points and the latter thirty points. There will be two sets of three judges each in every ward, one to judge the composition and thought, the other to judge the delivery. Each judge will act independently of the others, that is, they will give their individual opinions not knowing those of the others, and the final decision of the judges will be by a majority. By this it may readily be seen that the adjudications will be absolutely free from partiality or undue influence.
It is proper that Salt Lake State takes an active part in this movement. It has a salutary effect upon the young men, and their work in the association, it will be followed by other contests, which will embrace a number of States and possibly the entire continent of Mutual Improvement associations in the Church.
NEW AMUSEMENT HALL.
Steps Being Taken to Erect One in the Third Ward.
The young men and women of the Third ward of this city, who comprise the membership of the Mutual Improvement Association of that district, have entered upon the commendable undertaking of providing themselves with an amusement hall, which it is their intention to erect the coming fall. Steps are now being taken towards raising the money for that purpose. Much of it will be secured through the medium of amusement benefits. In that way the people will contribute to the erection of the hall, and at the same time aid in a good cause.
To this end the members of the associations are arranging to give what they term "A Grand Merry Makers' Carnival," for three nights beginning on the 16th of May. A king and queen of the carnival will be voted for and numerous new and interesting novelties will be among the list of attractions. The committee of forty people is now energetically at work formulating the preliminary plans of the project.
COLLEGE TRUSTEES TO MEET
Directors of Agricultural College Will Gather on May 1.
The trustees of the Agricultural college will meet at Logan on May 1st to elect a president to succeed J. M. Tanner, who resigned some time ago. Dr. Tanner will retain his position, however, until the end of the school year, his successor will not, therefore, assume the duties of the presidency until the opening of the school year next fall.
AT "GENERAL PRINCIPLES."
Alex Cameron Gets Drunk and Tries to Run Things.
"Whoopee turelee s'matter ut me n'hau, I'm a gen'l'men so I am," yelled Alex Cameron as he reeled along First South this morning in the vain endeavor to handle himself properly while transporting a large amount of bad whiskey. Unfortunately for him, just as he gave vent to his expressions of self esteem Officer Jim Williams happened along and took him in. "What do you work at?" the desk sergeant asked.
"General principles," yelled Alex.

"The Strength of Twenty Men."

When Shakespeare employed this phrase he referred, of course, to healthy, able bodied men. If he had lived in these days he would have known that men and women who are not healthy may become so by taking Hood's Sarsaparilla. This medicine, by making the blood rich and pure and giving good and perfect digestion, imparts vitality and strength to the system.
